MISSION AND VISION STATEMENT

Mission Statement

The **mission** of the New Life Theological Seminary is to create an educational environment in which students may obtain foundational Biblical instruction, which will teach them to effectively “dissect” the Word of God. Ultimately, our mission is to help train men and women to be effective disciples of Christ. ***“Study to shew thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the word of truth” (II Timothy 2:15).*** In addition, we desire to equip each student through the teaching of the Bible, how to effectively apply the Word of God His Biblical principles in their day-to-day walk, so that they may live victoriously, and in doing so draw others to Christ. ***“Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven” (Matthew 5:16).***

Vision Statement

The **vision** of this college is to advance the Kingdom of God through the in-depth and prayerful impartation of His Word. Through obedience to His guidance and the support of a dedicated faculty and staff, this vision has come to pass. New Life Theological Seminary is available to pastors, church leaders, and parishioners who desire to launch out into the “deep” things of God. It is through studying His Word with a hunger and thirst for greater understanding under the tutelage and guidance of qualified instructors that this is accomplished.

Overview of the New Life Theological Seminary

New Life Ministries, is a Christ-centered, God-glorifying faith ministry with a worldwide vision. Its objectives are to aid individuals in having a personal relationship with Christ and to develop and strengthen believers to attain all they can become through education, expression, spiritual understanding, and Christian conduct.

Although dynamically involved in various activities throughout the community, New Life Ministries realized the necessity of expanding its services to meet the needs of Christians who wanted to further their Biblically-based education. The Ministry also saw a need for leadership training in the Christian community. Therefore, in August 2008, New Life Ministries took on the responsibility of providing good, sound, Bible educational programs and proper Christian literature. This was accomplished by organizing New Life Bible College, under the Authority of Apostle Eddie Montgomery, President of Family Bible College in Baltimore, Maryland. Apostle Karen L. Evans (now Hale) is president and dean of our college. Initially, the college offered one-year certificates and associate degrees. As our college grew, the following degree programs were incorporated: Bachelor, in August 2010, Master, in August 2011, and Doctoral in August 2012. In 2018, the name was changed to New Life Bible College and Seminary. In 2024, the name was changed to New Life Theological Seminary, To God Be the Glory for the Things He Has Done!

After the closing of Family Bible College, Baltimore, Maryland in June 2020, Dr. Karen Evans (Hale) connected with Bishop Varnie Fullwood, North Carolina Theological Seminary, and joined as an affiliate school in Fayetteville, NC from August 2020 to May 2024. In April 2024, Dr. Karen Hale applied for the University of North Carolina Systems leisure for Religious Education exemption and received the April 25, 2024, approval letter. Next, we used leisure to apply for accreditation through Transworld Accrediting Commission International and received our approval letter and certification on May 23, 2024.

We aim to encourage lifestyles that please God and reflect a positive witness. The seminary is designed to assist the everyday person in obtaining a balanced Bible education without leaving his/her vocation or personal responsibilities.

Academic Administration

Class Attendance

Students are expected to check in virtually twice a week. Missing over two classes per term can result in an incomplete for the course. Adjustments of grades because of absences and lateness will be at the discretion of the instructor in conjunction with school policy.

Credit students are expected to attend each class. In the event of necessary absences, make-up assignments must be arranged with the professor. Absences of more than two classes per term will result in automatic failure of the course (professor's discretion). Two unexcused tardies count as one absence.

Missed Exams

Students absent without excuse on the dates of mid-term exams or finals will receive a zero on the test. Absences will be excused at the discretion of the professor. Make-up exams must be completed within one week, will be scheduled at the discretion of the professor, and must be obtained in advance. The Academic Dean must approve any exception.

Grading System

Grad	Percent	Explanation	Points	Grade	Explanation
A	90-100	Excellent	4.0	WP	Withdraw-Passing
B	80-89	Very Good	3.0	WF	Withdraw-Failing
C	70-79	Average	2.0	I	Incomplete
D	60-69	Passing	1.0	T	Transfer
F	Below 60	Failing	0.0		

When a course is repeated, the grade thus earned replaces the previously earned lower grade.

If a student withdraws from a course before taking the first examination or the midpoint of the course, whichever is earlier, the grade of WP will be given. If the student withdraws after the first examination, the grade of WP or WF will be determined by his scholastic achievement to that point. If a student withdraws after the mid- point of the course a grade of F will be automatically awarded.

A credit student who fails to complete all course requirements will receive an "incomplete" and is allowed 30 days from the last day of class to complete course requirements. If requirements are incomplete beyond this extension, the "I" will be changed to "F".

Academic Probation

A student who falls below a 2.0 GPA in two successive quarters will be on academic probation for the following quarter. Failure to remove oneself from probation after the quarter will result in dismissal from the credit program. Should a dismissed student desire to apply for readmission, the student may apply to the Academic Dean for an evaluation of the cause for dismissal. If the student is deemed capable of 2.0 or above work, the student may be readmitted on academic probation.

Grade Reports

Grade reports are issued to each student at the end of each term if financial obligations are met. It is expected that the work done will represent faithfulness and conscientious application on the part of every student. Although grades are not regarded as an end in themselves, they usually represent not only the student's knowledge on the subject but also the student's diligence in studying it.

Transcripts

A transcript containing the cumulative record of courses taken, and grades and credits earned, is kept for each student. Transcripts may be released only to another educational institution via mail. Official transcripts require a \$5 fee. Unofficial transcripts will be mailed for \$3 each.

Graduation Requirements

Candidates for graduation in the degree program must satisfactorily fulfill all required curricula, maintain a minimum grade point average of 2.0 and meet all financial obligations. Additionally, every student is expected to abide by the NLTS Honor and Integrity Standards outlined in this catalog.
